

VILLA MARIVENT

TYPE: Villa **LOCATION:** Urbanización Casa Blanca, Marbella (Málaga), Spain **SLEEPS:** 30 guests

An exclusive beachfront villa in Marbella designed for ultimate privacy and refined living.

Villa Marivent consists of four independent villas set within nearly 12,000 square meters of meticulously maintained beachfront gardens. This exceptional property features 15 guest bedrooms and 3 staff accommodations, offering a total capacity for up to 30 guests and 6 staff members.

The estate includes two outdoor swimming pools, a fully equipped gym, sauna, double treatment room, spacious indoor and outdoor dining areas, and a private cinema, along with ample on-site parking.

Accommodation

The estate provides 15 guest bedrooms (up to 30 ppl) distributed across the main house, guest house, and pool house, with an additional 3 staff bedrooms in the service house.

This structure resolves the common problem in large villa bookings where room quality varies too widely across the property.

All guest rooms are supported with practical consistency: toiletries and amenities, blow dryers, Apple TV, and a Nespresso machine in every room.
